Attorney Docket: 33216 M 027.2

REMARKS

By way of a telephone conversation with the undersigned, the Examiner requested this Supplemental Amendment to amend the specification to reflect certain wording added to claim 23. In accordance with the Examiner's request, the specification is so amended hereby. The specification amendment parallels that of claim 23 in referring to overlaps of adjacent and non-adjacent spiral shape (inductors) and a comparison of the areas of such overlaps.

Respectfully submitted,
